

Administration Workshop

This on-site, two-hour CalSCHLS Administration Workshop is designed to provide district coordinators an overview of the CalSCHLS System and on-site registration. When County Offices of Education organize the training for their districts, the CDE offers this at no charge to the COE or districts.

Please Note: Participants should bring their laptops to complete their registration on-site.

Workshop Topics

What is CalSCHLS data?

- The California School Climate, Health, and Learning Survey System
- Survey Content
- Survey length and completion time
- Survey changes from 2017/18 to 2019/20
- Can we trust the data?

How do we collect CalSCHLS data?

- Hands-on Survey Registration
- Coordination
- Administration

How do we use CalSCHLS data?

- Disaggregated Data
- Password Protected Private Data Dashboard
- Trend Data
