Notes: Information is based on CalSCHLS data collected among in-school respondents during the 2021-2022 school year. Results are based on respondents who have filled out the online survey within 2 hours and have provided data for certain number of survey items (80% or more).

^A*Survey completion time in minutes for 95% of respondents.*

^B*The lower bound of the range indicates the total number of survey questions including branched items; the upper bound shows the total number of nonbranched and branched questions.*
