

The CalSCHLS Team

This document describes the personnel who will be supporting you in this survey administration journey. It also provides contact information for your ease of reference.

Who does the CalSCHLS team include?

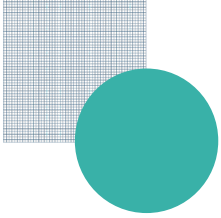

The CalSCHLS Team includes leading researchers and practitioners in the fields of school quality; positive school climate, including school safety and school connectedness; social-emotional and mental health, including bullying and suicide prevention; and positive youth development, including prevention of alcohol, tobacco, and other drug use.

Who are the CalSCHLS Technical Advisors?

The CalSCHLS Team also includes our CalSCHLS Technical Advisors (TAs). TAs provide one-on-one support for administering, interpreting, and acting upon survey data. The team consists of one representative assigned to each of three California regions (North Central California, Southern California, and North Coast/Bay Area), a CalSCHLS Statewide Coordinator, plus TA and Data support staff.

Supports include:

- **Data Collection:** survey registration, customization, and administration
- **Data Analysis:** ordering and reviewing reports
- **Data Application:** leveraging data insights into action

Who do I contact for more information?

For general information and inquiries, call 562.799.5460 or email calschls@wested.org.

If you already have a relationship with your Regional TA or have specific questions about your survey administration, report ordering, data use, or billing processes, please reach out to your Regional TA listed below.

Contact information for All Region support personnel is also included, but it is recommended that you keep communications limited to your Regional TA as they are best positioned to support you.

Region 1: North Central California

- [Crystal Britten](#), Technical Advisor

Region 2: North Coast/Bay Area

- [Ben Trigg](#), Technical Advisor

Region 3: Southern California (Main Office)

- [Amanda Badorek](#), Technical Advisor

All Regions

- [Carey Jo Chase](#), Technical Advisor Assistant
- [Heather Love](#), Data Assistant
- [Leslie Poynor](#), Statewide Coordinator
- [Tom Hanson](#), Project Director
