

Learning from Home Survey

2020-2021

With school buildings now closed due to the novel coronavirus (COVID), your child’s school has put into operation a remote learning program to ensure that students can continue instructional activities from home. This survey is an opportunity for you to provide information to help improve this school’s remote learning program. Your opinions are important and the school is interested in hearing them to best address the needs of your children and family.

If you have more than one child at this **school**, please think about the **oldest of these children** as you answer these questions.

Answer all the questions based on your experiences regarding **this** school only. Remember, we appreciate your honest opinions.

Mark only one answer unless told to *“Mark All That Apply.”*

Learning from Home Survey

Begin by answering a few questions about you, your family, and your child.

(Respond for your oldest child from this school)

1. What grade is your child in?
