Elementary School

2020-2021

This survey asks about your behavior, experiences, and attitudes related to your school, health, and well-being, including while you are not attending school in person due to the novel coronavirus (COVID-19).

You do not have to answer these questions, but your answers will be very helpful in improving school and health programs. **You will be able to answer** whether or not you have done or experienced any of these things.

Please do not write your name on this form or the answer sheet. Do not identify yourself in any other way.

Please mark all of your answers on the answer sheet. Fill in the bubbles neatly with a **#2 pencil**. Do not write on the questionnaire. Mark only one answer unless told to ***“Mark All That Apply.”***

This survey asks about things you may have done during different periods of time, such as during your **lifetime** (you ever did something), or the past **12 months**, or **30 days**. Each provides different information. Please pay careful attention to these time periods.

Thank you for taking this survey!
